

# CITY OF LOCUST GROVE

## Fiscal Year 2021 - Introduction

Capital Improvements Plan  
And Operating Budget (With Enterprise Funds)  
Locust Grove, Georgia

Behind this cover, one will find the proposed General Operating and Capital Improvements Budget for the City of Locust Grove, a town of over 8,715 residents, nearly 500 businesses and nearly \$380 million in property valuation. The city has grown tremendously in just the past 5 years and is expected to grow by nearly 80% since 2010 once Census 2020 figures release in April 2021.

This coming year will be a year of Mobility, Safety, and Growth for the City of Locust Grove. Primary to our Capital Projects are those geared to increase the Mobility in key portions of the city with signalized intersections, providing turning lanes, paving existing streets and extending existing ones. Part of this effort is to further the new Industrial Interchange near Bethlehem Road and I-75 as well as improvement to our existing Exit 212 and SR 42. We will continue our efficiency as part of our push for streamline Customer Services such with online permitting and plan review. We also must increase our Safety with new investments in Police and personnel. In all of this, we seek our residents to enjoy life in the Grove, which will soon be evidenced by the new Tanger Park providing for more passive recreation space (running/walking track, pavilion with restrooms, dog park, playground, and room for more areas to play and exercise.

For 2021, the General Fund Budget is at \$9,121,190 and includes many of the projects discussed above. The Majority of funding comes from Taxes and User Fees (and NOTE, there are no property taxes proposed in FY 2021 as in the prior 40 years of city operations), with others coming from Fines, Grants, and "Reserve" of funds held for capital expenditures as well as in hard economic times. In terms of USES, the majority is Public Safety (Police and Courts), Street Maintenance, followed by Administration, which also serves as administration of most all of our Enterprise Funds. We are looking into various new sources of revenues in next year and the next two years to facilitate new expansion of services, including Occupation Tax updates along with development fees.

For our Enterprise or "business funds", the Majority of our revenue and expenditures are related to our Utilities (Water, Sewer, Sanitation, Stormwater), with additional funds from Hotel-Motel revenue funds for Tourism and Economic Development as well as our specific capital project accounts in SPLOST IV and Development Impact Fees. The total revenues and expenditures of these funds are \$9,328,770 and also mark expansion in projects listed previously as well as expansion in staffing and scope of services.

In all, the Proposed FY 2021 Combined Budget tops out at \$18,449,960 and is broken out in the charts and tables that follow.

The Public Hearings will be held on Monday, November 2 then November 16 and final on December 7, 2020 prior to the adoption for Calendar Year 2021.
