

*Bill Gardner (West) \$500,000 – SR 42 Extra Lane \$900,000*

The **Bill Gardner (West) Project** (Outlined in Red) will work with Henry County in the widening of Bill Gardner Parkway from 2 to 4 Lanes with additional auxiliary lanes between I-75 and Strong Rock Parkway. To be used in the Right-of-Way Phase to match with future State and Federal Money. Part of this will work to also allow additional turning movements NB along SR 42 to WB Bill Gardner Parkway along with dual right-turning SB 42 lanes from Bill Gardner towards Peeksville Road.

The **State Route 42 Extra Lane Project** (Outlined in Pink) will be used in combination with SPLOST V money for changes to Bill Gardner at SR 42 to allow for double-left turning movements Northbound along SR 42 to Market Place Boulevard as part of the Signalization Project underway (awaiting N-S approval for easement and construction).

### Project Description
